***Our School Prayer***

*Dear Jesus*

*Saint Elizabeth brought care to the sick, food to the hungry and hope to those in need.  
Grant us the blessing that we may follow in her footsteps with love and joy in our hearts,  
to always be faithful and to serve with humility and compassion.*

*Amen*

**Lapathon - Fundraiser for Science**

Wow! Some of our families have raised an awful lot of money for our science equipment. God bless. If you have not sent your child/ren's money in to date, please make every effort to do so next week. We need to finalise the amount and bank the money.

**Father's Day Gifts**

Oh dear! Poor dads have only a dozen gifts to share between them. Come on, let us get behind our partners and enable each child to bring home a gift for Father's Day. All contributions big or small will be accepted. Thank you in anticipation for your support.

**Events over the last week**

The Pre-Primary class celebrated their 100 days in their classroom. How wonderful to see the children turn up looking like someone from the 1920's - 1940's, Great effort parents! Hmmm – I was wondering why Kim was wearing 'that particular' hat – very chic! Kim has taken lots of snaps to share, what an exciting day for them all.

**Year Two Liturgy**

The year two class conducted their Liturgy this week based on the theme 'Love,' God's love for us is totally unconditional. This was a beautiful reminder of us as a community, to remember Jesus showed us how to love and has asked us to; "Love one another as I have loved you"

**Year One Assembly**

Today, if you were unable to attend the year one assembly, you missed a fantastic geography lesson and an amazing song using the different greetings from around the world. A top performance year one students! Congratulations and well done Jade and Joan for preparing the children to such a high standard in a short space of time.

**Merit Awards**

Yes! We presented Merit & Christianity Awards today at the end of the year one assembly. The teachers will try and email you in advance if your child has been nominated for an award. However, often in their busy lives things happen and you may not be informed. The Awards will be presented at every assembly for the Pre-Primary to Year Three students. The Assistant Principal and Principal Awards are also presented to both the students and adults in our community.

**Food for Thought**

Just browsing over the **CEWA Mandate** and our Code of Conduct

For a school to be Catholic. It must first be a good school; the Catholic school's concept of education will be: "the development of students from within... The school must begin from the principle that it's education program is intentionally directed to the growth of the whole person" Mandate CEWA

"The acceptance of responsibility for any action or initiative at a personal and professional level"

Code of Conduct – Conduct Statement 3.

We are a good school. We pride ourselves in working towards the growth of the whole person with you, the parent's supporting us. (Mandate)

However, can I suggest we take time to reflect Statement 3 of the Code of Conduct which each of us have signed. The question we may like to consider is – Do I accept responsibility for my words and actions both personally and professionally?

Have a wonderful weekend, be kind to your partners, children, neighbours and strangers. Thank God for what you have and stay safe

*May God keep us safe in the palm of his hand'*
